DISPOSABLE ERCP TROLLEY ACCESSORY DRAPE

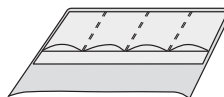

DESIGNED AND PRODUCED BY

medwork®

Looking after the multitude of accessories used during an ERCP procedure can be a challenge in itself. The new EndoPockets not only provide a safe storage place for your different accessories but also gives a sterile cover for your ERCP trolley.

FEATURES

- Available in both 3 and 4 clear plastic pockets for your accessories
- Triple layer water resistant fabric
- Fixes to the trolley by a peelable adhesive patch
